

ROADTRIP TIP

You can indeed, cook on your engine, and what a great way to try local provisions on the go. Here's how. Keep recipes simple and triple wrap them in tin foil for a sealed package-en papillote, as the French would say. Wire your hot pocket to the exhaust manifold. *Drive. Stop. Enjoy.*

THE MEAL YOU'RE EATING...

...was prepared by the culinary crew of CCC. They're a team of hard working men and women that use only fresh and local produce and provisions to serve meals that are delicious and heartwarming. Have any particular requests? Ask your server. We'll try our best.

ACCELERATOR

Thirsty? Drink local. Try CCC's own beer, brewed by our partners Torch & Crown.

GET DIRTY

Tarmac is overrated. Have you been on a moto enduro adventure with us? No? Let's remedy that. Ask one of us for info.
