

ROADTRIP TIP

You can indeed, cook on your engine, and what a great way to try local provisions on the go. Here's how. Keep recipes simple and triple wrap them in tin foil for a sealed package-en papillote, as the French would say. Wire your hot pocket to the exhaust manifold. *Drive. Stop. Enjoy.*

GET DIRTY

Tarmac is overrated. Have you been on a moto enduro adventure with us? No? Let's remedy that. Ask one of us for info.

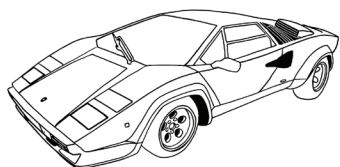

GET CULTURED

Need to dive further into the world of automotive opinions and events? Make sure to head to CCC's culture page on our website. There's all manner of unnecessary but heavily-produced words and footage there.

FLEET TRIVIA #1

What was the very first car in the CCC Manhattan fleet?

RALLY TRIVIA #2

CCC's first rally was to Miami. Do you know what brooding and magnificent British rock band came along?

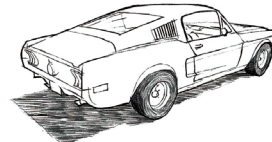

FLEET TRIVIA #3

What make & model has CCC had more of than any other car in the fleet?

CCC TRIVIA #4

CCC was started when the Brothers Kavanagh wanted to buy a car but learned two names can't be put on a title. What car was it?
